Narrative

Unit #1 was using the southern-most drive-thru lane farthest from the building. Unit #2 was using the northern-most ATM closest to the building. As Unit #2 began to pull away from the ATM, Unit #1 also began to pull out and allegedly cut him off. Unit #1 used her brakes to slow down for the entrance to the Aldi parking lot and claimed that Unit #2 rear-ended her driver's side rear bumper. Unit #1 claimed that he never felt their vehicles touched and did not think there was an accident. Unit #1 had small black scratches on her vehicle and I did not observe any on Unit #2.
